

ESTLANDER
& PARTNERS

Estlander & Partners acts as a main partner for Team Freedom Racing

The sailing team is sailing a One Design X-41, a high performance racer (<http://www.x-yachts.dk/seeems/11884.asp>). This year the team is aiming to achieve a top position in the X-41 World Championships, sailed in the waters off Helsinki 10-16.8.2012. The season 2011 ended with the team taking a fine second place in the Finnish rankings, which gives a good starting point for the incoming season. Success in sail racing at the top level requires above all, strong dedication, discipline and great team spirit. These are also key features in the daily activities at Estlander & Partners. As sustainable development is valued by the company, we appreciate sports that are less harmful to the environment.
